Re: *Protecting and Promoting the Open Internet, GN Docket No. 14-28*

Dear Ms. Dortch:

The undersigned, on behalf of the American Cable Association (“ACA”), had the following telephone conversations regarding extension of the exemption for small Internet Service Providers from the enhanced transparency requirements adopted in the above-referenced proceeding:

- December 15, 2016 – Conversations each with Claude Aiken, Legal Advisor to Commissioner Clyburn, Nicholas Degani, Legal Advisor to Commissioner Pai, and Travis Litman, Senior Legal Advisor to Commissioner Rosenworcel;
- December 16, 2016 – Conversations each with Lisa Hone, Legal Advisor to Chairman Wheeler and Claude Aiken;
- December 19, 2016 – Conversations each with Nicholas Degani and Amy Bender, Legal Advisor to Commissioner O’Rielly.

I explained in each of these conversations that there is widespread support to extend the exemption, and urged the Commission to reach consensus to provide an interim extension and to adopt a further notice of proposed rulemaking to consider a permanent exemption.

This letter is being filed electronically pursuant to Section 1.1206 of the Commission’s rules.

Sincerely,

Ross J. Lieberman
